The Paragraph Strategy: The Building Block for a Good Essay

Day 3 – Paragraph Strategy: The Building Block of a Good Essay

SIM™ Paragraph Writing Strategy:

Good writing is more than just stringing words into sentences. It means stating a main idea that is crystal clear and organizing information related to that main idea into a logical sequence. It means grabbing your reader's attention. This strategy teaches students the skills needed to write organized, detailed paragraphs and teaches them about the different types of paragraphs including narrative, persuasive, and expository paragraphs.
